

Team Duncombe's
Lego Week

Treetops Activity - Tuesday 26th January 2021

Hello Treetops,

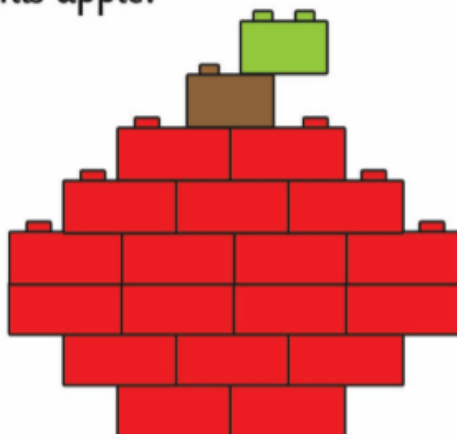

Do you remember the story about 'The Very Hungry Caterpillar'? Do you remember all the yummy food he ate that ended up giving him a poorly tummy?

Well, your task is to see if you can recreate some of those food items with Lego. We've included some ideas to help you get started. Can you think of anymore?

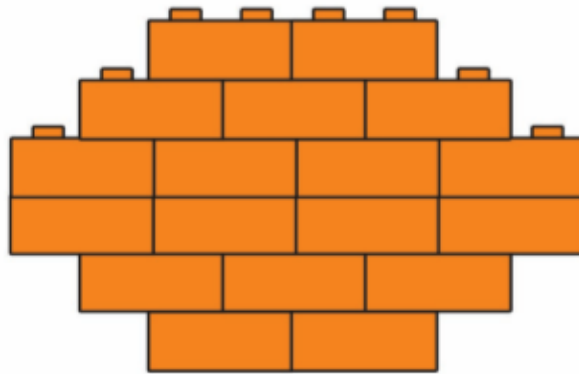

Don't forget to share your work, we love to see how you're getting on.

Enjoy, Team Duncombe

Can you make this apple?

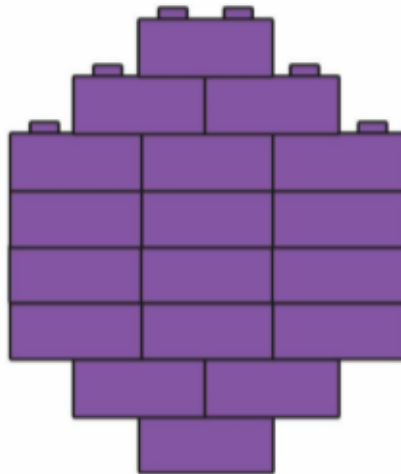

Can you make this orange?
